

Coronavirus (COVID-19) Message

Amid the ongoing concerns about the Coronavirus (COVID-19), Crown Bank wishes to assure you that we are monitoring all of the latest reports from the Center for Disease Control (CDC) and are taking your health and safety very seriously. The latest updates from the CDC can be found at www.cdc.gov .

In response to NJ Governor Murphy's Executive Order, addressing the COVID-19 virus, Crown Bank has temporarily reduced branch operating hours and closed some of its locations, but our ATMs are fully functional 24/7. Please note that not all branches follow the same schedule, customers are encouraged to contact their local branch to confirm operating hours and services available.

NJ Governor Murphy has also ordered all residents must wear masks, when in public and when going in to any of essential business that remain open in the State. This order is in an attempt to decrease the spread of the virus and all customers and employees will be required to wear face coverings while inside the establishment. Crown Bank is committed to protecting its employees and customers and request that you use our On-line banking, Mobile Deposit services and ATM's whenever possible, in order to maintain social distancing practices. Thank you for being a Crown Bank customer and thank you for your cooperation during this difficult and unprecedented time.
